	)	ORDER GRANTING
	)	MOTION TO CONTINUE
	)	

This matter comes before the Public Service Commission of South Carolina (the Commission) by way of a Motion to Continue (the Motion) filed on May 11, 1990, by J.E.D. Transport, Inc., Milner Super Gas, Inc., Kenan Transport Company, Belue Trucking Company, Inc., Eagle Transport Corporation, Moore Oil Company, Inc., Associated Petroleum Carriers, Inc., and Infinger Transportation Co., Inc. (the Intervenor), whereby the Intervenor seek an Order of the Commission continuing the instant matter having previously been set for hearing on June 27, 1990, for a period of sixty (60) days thereafter. The Motion is based upon allegations that a recent decision of the South Carolina Supreme Court indicates the advisability of evidence of statistical surveys and/or expert opinion and that procurement of such would take longer than the hearing date previously set in this matter will allow.

The Applicant, Petroleum Express, Inc., has not filed a Return to the Motion.

IT IS THEREFORE ORDERED:

1. That the Intervenor's Motion be, and hereby is, granted.
